

## Campus Organizations Accounting- Create Miscellaneous Payment Request in Workday

Treasurers can use *Create Miscellaneous Payment Request* in Workday when a check is needed to pay a person or business. The payment request comes after the payee has been found or created in Workday. Please see **Finding and Creating Payees in Workday** on the COA website for more information.

To begin, type *Create Miscellaneous Payment Request* in Workday:

The form will populate, and information will need to be filled in several fields of the top “Primary Information” section. See text in red on screenshot below.

**Payee:** Type in the name or payee ID of the payee you have previously found or created

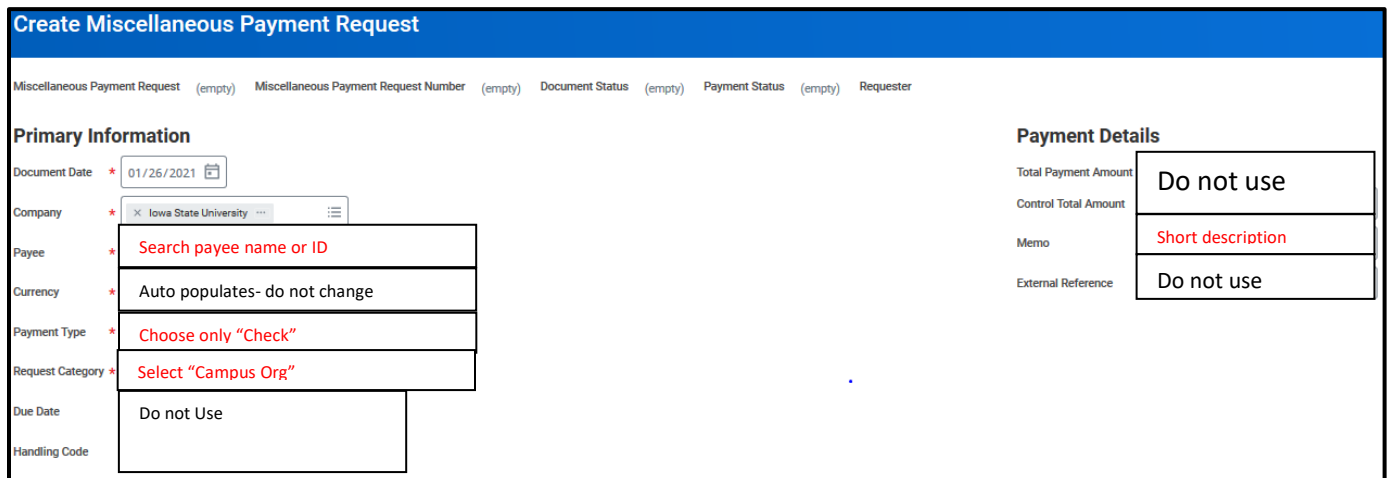

**Currency:** Auto-populates. Do not change this field.

**Payment Type:** Type and select “Check.” Do not select any other types, this is the only payment type available to Campus Organizations.

**Request Type:** Select “Campus Org”

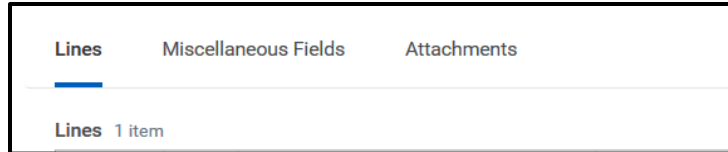

**Memo:** Type in the invoice number, event description, other short description of the payment, or “ubill reimbursement”

Do not enter any information in any other fields at the top of the request.

The screenshot shows the 'Lines' tab in the Workday interface. It displays a table with the following columns: Order, \*Company, Item, Item Description, \*Spend Category, Quantity, Unit Cost, \* Extended Amount, Memo, and Grant. The 'Company' field is populated with 'Iowa State University'. The 'Quantity' field is 0, 'Unit Cost' is 0.00, and 'Extended Amount' is 0.00.

Use “Attachments” to attach your documentation for this payment (Invoice, itemized receipts, etc.)

The screenshot shows the 'Attachments' tab in the Workday interface. It features a file upload area with the text 'Drop files here' and a 'Select files' button.

- An invoice is needed to pay a business for goods that does not accept payment by credit card.
- A contract is needed to pay a service such as a speaker, entertainer, or other person or company hired to perform a service. A contract will have to be created by ISU staff authorized to do so before the event as part of your event authorization- contact Student Engagement for more information.
- Sports clubs paying a referee or umpire will need a game sheet attached
- Prize payouts should include an event flyer or other event notification
- A refund for dues or overpaid fees to a club will need a copy of the deposit slip
- Mileage for visitors to campus will need a map screenshot showing the number of miles driven, as well as something attached that shows the calculation for the mileage payment.

### **Approval Routing and Processing**

Once submitted, the request routes through several approvals before the request is sent to be entered, processed, and the check printed and mailed.

1. The treasurer will fill out and submit the request in Workday
2. The request will be sent to the organization advisor to review and approve the request
3. The COA student accountants will review the request for accuracy and completeness, as well as verify the status of your organization and that the treasurer has completed the current school year's Treasurer Training in Canvas, and that the organization account has sufficient funds to process the request.
4. The COA manager will review and approve the request. At that time the request will close.
5. The payment will be queued to be printed with the next batch of University checks. Checks print once per business day. Checks are mailed within a day of being printed.
